BIBLE CONFERENCE

THIRD ANNUAL CONVENTION FOR SAN FERNANDO VALLEY OPENS HERE SEPT. 22

The third annual Bible conference of Glendale and San Fernando Valley will open in the Glendale Presbyterian church Sunday, September 22, at 11 a. m., at which time Dr. Elwood P. Lyon of Pasadena, who is an evangelist and expositor well known in Southern California, will speak. Dr. Lyon will preach at both morning and evening services.

There will be an afternoon service at 3 o'clock, at which time Dr. A. C. Gabelein of New York City will speak. Dr. Gabelein will also speak Monday, Tuesday and Wednesday afternoon and evening. The hours are 3 and 7:45. Dr. Gabelein is editor of "Our Hope" and is generally recognized as one of the foremost Bible teachers in the country.

Some of the subjects to be presented are: "The Core Doctrines of the Gospel of John," "From the Dunghill to the Throne of Glory," "The Gospel of the Kingdom," "The Capture of Jerusalem, and the Remaining History of the Holy City," "The Message of the Book of Job," "Studies in the Epistles to the Hebrews," "Neglected Portions of the Prophetic Word—the Parables of Balaam."

This conference is purely interdenominational and will appeal to all earnest seekers after the truth. Every session will be of special interest, and all are urged to bring note book and pencil. Pastors and church officials, Sunday School workers and all others can not afford to miss this conference.

A community as small as Glendale is not often privileged to hear so noted a Bible expositor as Dr. Gabelein.

Remember the date, September 22-25, at Presbyterian church.

DEATH OF MRS. EMMA BARDILL

Mrs. Emma Bardill passed away at her residence, 221 North Brand boulevard, Casa Verdugo, September 12, 1918. She was the mother of three children, who survive her, Oscar Bardill of Beckley, West Virginia, Captain John Bardill, a physician in army service at Camp Fremont, and a daughter, Miss Mary Bardill, who was with her mother when she died.

Private services over the body of Emma Bardill will be held this (Saturday) afternoon at the chapel of Scovern, Letton & Frey, this city, and interment will be made in Forest Lawn Memorial Park.

P. E. O. MEETING

An informal but very enjoyable afternoon was spent Friday when the members of Chapter B. A., P. E. O., were the guests of Mrs. Walter N. Stamps at the home of her sister, Mrs. Merrill Russell, 1422 Riverdale drive. During the afternoon two members of B. A. favored the guests in a most delightful manner, Mrs. Willisford giving a number of readings and Mrs. Frank N. Arnold singing several solos. Miss Margaret Brown of 116 North Kenwood gave two beautiful interpretative dances. A few other friends outside the chapter shared Mrs. Stamps' hospitality.

NEW GLENDALE LODGE

INSTITUTION OF GLENDALE NO. 1920 KNIGHTS OF COLUMBUS AT ELKS' CLUB HOUSE

Great satisfaction is felt by Father O'Neill and the local committee in the granting by the National Council of a charter to the Knights of Columbus of the San Fernando Valley and the new council will be known as Glendale No. 1920

The institution will take place Sunday, September 29th, at the beautiful Elks' Club House on Colorado boulevard, and the local Knights are planning to have something doing all day, commencing at ten o'clock when visitors from all of Southern California are expected, as presence at an event of this kind lends many a reminiscent smile for many months to come.

The new council has over fifty members on its roll and candidates are also expected from other cities. Glendale will entertain about one thousand visitors on this day, that many being in line of parade, which will precede the large service that is always the beginning of an event of this kind.

The evening will be spent at a banquet served in the Elks' banquet hall by the ladies of the parish, at which the Honorable Joseph Scott, who will exemplify the major degree in the afternoon, is expected to relate some of his experiences while in France with our boys in the front lines.

As further plans are consummated they will be announced in this paper.

J. STITT WILSON

BEREAVED ORATOR MAKES MOVING PLEA FOR ABOLITION OF LIQUOR TRAFFIC

Though the average Californian steeped in sunshine rejoices theoretically in rain, actually he shrinks from it like a cat, particularly the first showers of the season. For that reason the size of the excellent audience which assembled last night at the First Methodist church to hear J. Stitt Wilson's eloquent talk, "Over the Top Against the Liquor Traffic," was a special tribute to the speaker. It was a representative audience of men and women of varying shades of opinion, not an audience of prohibitionists pure and simple, though they appeared to be united in sentiment with the orator.

Preceding the talk by Mr. Wilson was a service of patriotic songs led by Rev. R. W. Mottern, and the speaker was introduced by Dr. I. H. Durfee, president of the Glendale Federated Brotherhood.

In the beginning Mr. Wilson occupied the pulpit platform on which he moved about with dramatic gestures inspired by the emotion which dictated them, but later he descended to the floor of the house to get in closer contact with his hearers, and perhaps too to save his voice which has suffered in the emotional crisis he has just passed through in the death in service of his only son. At times it w. difficult to hear all he said after he made this change, but the people hung on his words and followed him in sympathy except a few young women on a rear seat who whispered and giggled with no apparent consciousness that they were offering an indignity to a man who should command their entire respect, and to the listeners around them who were striving to catch his words.

It was a patriotic address essentially, backed by a pleading tenderness born of his own grief which melted any latent antagonism to his attitude on the liquor question. When he finally got to that he based his argument on the conservation demanded by war, declaring that after America entered in there was a crisis of which the general public knew nothing, a food crisis, a sugar crisis, a money crisis, all of which America met by denying herself at home to send wheat and sugar and money not only to her allies but to the suffering neutrals of Europe. Of conditions which have made such personal sacrifice necessary, though made cheerfully, he said:

"I am not speaking to you as a

MORE THRILLERS

MILITARY WEDDING AND TENNIS MATCH ADDED TO BENEFIT ATTRACTIONS

With the big Community Harvest Festival Red Cross benefit but five days off, jealously guarded secrets regarding the various attractions are gradually slipping from the capacious (that it is capacious is evident) sleeve of Mrs. W. W. Ramsay, president of the Tuesday Afternoon Club, who is the supervising head of the event.

A wedding, and a military wedding at that, is one of the attractions, about which there has been divers and sundry whisperings and hints. This is under the exclusive auspices of the Red Cross Service Corps girls, thirty-six in number. The group has been divided up into committees and sub-committees, and each is working tirelessly to make the affair a financial as well as artistic success. Who would not give 10 cents any day to see the most prosaic kind of a wedding, and when it has all the adornments of a real society function—bridesmaids, six in number, best man, proud and solicitous parents and relatives, flowers, music, etc., and some of our own fine boys in uniform, it should be worth much more, but 10 cents is all that it will cost to see this one, which is to be given the evening of September 21st in the Union High School auditorium. There is going to be a crowd, so come early!

Vying with the wedding in importance, is the matched tennis game to be given on the High School tennis court at four o'clock the afternoon of September 21st. Those competing for honors will be the well-known players: Miss Mary Browne, who holds the national single and doubles championship, Clay Court, another national championship holder, Mrs. Louise Williams, Nat Browne and Walter Bowers. There will be no stated charge for this event, but Mrs. John Robert White, Jr., who has charge, doubtless has some plain in mind to coax a few nickels from the audience on that occasion.

FOCH, MARSHAL OF FRANCE, AND GEN. PERSHING

"At the hour when the enemy counted upon imposing a German peace upon us, General Foch and his admirable troops vanquished him."

These were the words with which Premier Clemenceau, the "Tiger of France," accompanied the bestowal upon General Foch of the ancient and honorable title of Marshal of France in recognition of the halting of the German drive by the allied chief commander.

All the world knows of the gallant conduct of American troops, distributed along the firing line under the orders of General Pershing, in the great battles which ended the Hun advance.

The next German drive will be toward the Rhine. YOU can have a share in it by buying Fourth Liberty Loan Bonds.

TO DAY'S CASUALTIES

TWO HUNDRED FIFTY-EIGHT NAMES IN CASUALTY LIST REPORTED BY THE WAR DEPARTMENT TODAY

(Special Service to Glendale Evening News)

WASHINGTON, September 14.—Today's casualty list contains the names of 20 killed in action; missing in action, 74; wounded severely, 135; died from wounds, 9; died from aeroplane accident, 4; died from accidents and other causes, 2; died of disease, 2; wounded, degree undetermined, 12.

Californians named in the list are: Killed in action—Fred Schrier, San Francisco. Missing in action—Corporal Arthur W. Rettig, Oakland. Private Leon M. Elmore, San Jose. Wounded severely—Eugene W. Blundell, 537 W. 41st St., Los Angeles; Daniel T. Box, 931 W. 34th St., Los Angeles; Henry R. Kastl, San Francisco; Thomas J. Brennan, San Francisco; John Ryan, San Francisco.

FRENCH ATTACK ALONG AISNE

OUTFLANK CHEMIN DES DAMES GERMAN POSITIONS AND THREATEN LAON

(Special Service to Glendale Evening News)

LONDON, September 14.—The French attacked this morning astride the Arlette river and along the Aisne. Battle front reports at one o'clock this afternoon showed they had advanced two miles on a front of 11 miles, capturing several important villages.

Eighteen hundred prisoners had been counted at that time.

The attack outflanked the Chemin des Dames positions and endangered the German hold on Laon.

AMERICANS ON NEW LINE

CAPTURED PRISONERS TOTAL 20,000. ENTIRE HINDENBURG LINE NOW UNDER AMERICAN FIRE

(Special Service to Glendale Evening News)

WITH THE AMERICAN ARMY ON THE METZ FRONT, September 14.—TheAmericans are now facing the Germans along a new line within a distance of twelve miles from their old positions.

At eleven o'clock this morning the Americans completed the cleaning up of the captured territory, though the total count of prisoners had not been finished at that hour.

In addition to the American captures, the French have taken seven thousand prisoners, making the total of the operation counted to date well over twenty thousand.

The capture of guns was heavy but numbers are not definitely known.

The entire Hindenburg line is now under American fire.

North of St. Mihiel the Germans have been forced to readjust their lines, retreating two miles at one point.

SENTENCE OF EUGENE V. DEBS, SOCIALIST

SENTENCED TO PRISON TERMS OF TEN YEARS EACH ON THREE COUNTS FOR SEDITIOUS UTTERANCES

(Special Service to Glendale Evening News)

CLEVELAND, Ohio, September 14.—Eugene V. Debs, Socialistic leader, today was sentenced to ten years each on three counts on the charge of making seditious utterances. The sentences will run concurrently.

CITY TRUSTEES

RECEIVE REPORT ON CHANGE OF P. E. RATES; APPROPRIATE $60 FOR COMMUNITY SING

The regular meeting of the Board of City Trustees was held in the council chamber of the City Hall Friday evening, Thursday, the regular meeting night, being a holiday. All members were present.

The minutes of the regular meeting of September 5th and of the adjourned meeting of September 10th were read and approved after a correction had been made to show that the City Manager was instructed to dispose of the Liberty Bonds held by the city to the amount of $2000 for the market price.

A report was filed from the building inspector and demands No. 7490 to No. 7496, inclusive, were filed and referred to the finance committee.

On motion of Trustee Muhleman, the request of the Los Angeles and Arizona Land Company for the vacation of Avenue A in Tract No. 2292 was ordered to be granted on condition that the applicants advance an amount sufficient to cover the expense of the proceedings, by the following roll call, Henry, Jackson, Muhleman, Shaw, Woodberry, all voting aye.

The Manager of the Public Service Department reported progress in setting the valuation upon the property of the electric light and power distributing plant in Tropico district.

The City Attorney presented his written opinion in regard to the question submitted to him at the last meeting as to whether if the improvement of East Broadway to temporarily suspended at the request of the Capital Issues Committee, the city would lose jurisdiction. In the opinion of the City Attorney such a suspension will only operate as a suspension of the authority of the Board to proceed at this time and that they would be authorized to proceed under the same resolutions to a completion of the improvement at such a time as the authorization of the Capital Issues Committee may be obtained, or without such authorization.

On motion of Trustee Muhleman, it was ordered that the bonds of Municipal Improvement No. 2 be signed

(Continued on Page 3)

THE BIG BOMBARDMENT

PRIVATE E. J. SADLER WRITES OF GERMAN ATTACK AT MIDNIGHT

The following entertaining letter from Private E. J. Sadler, son of Mr. and Mrs. Percy Sadler of this city, now with Company F, 117th Engineers, overseas, addressed to one of his friends here, is published for the pleasure of his many friends in Glendale:

Dear ————:

I received your letter some time ago, but have been unable to answer due to reasons you will understand. I got said letter about 10 o'clock at night and the big German drive started at 12, so little Willie was pretty busy dodging shells and trying to become a part of Mother Earth for some days to follow, hence my negligence, which I hope is excusable.

It certainly was a wonderful sight that first night and morning. They say it was the heaviest bombardment of the war and I agree thoroughly. It was so heavy that it was impossible to distinguish a single gun as the fire was so fast and continuous. You have heard of the drum fires. That is what it was. The sky was just a mass of flashes from the guns and added to this were star shells, flares and incendiary shells and explosions of ammunition dumps. I would have enjoyed myself thoroughly if so many of them had not lit too close to be comfortable. Fortunately I did not realize much what was going on, so forgot to get very scared until it was over. We were very fortunate in our losses, having only a few killed and wounded.

The Germans were so badly defeated in our sector that we were moved to another front. We got to this one after they had been fighting for several days and you should have seen the place! The worst thing of all is the smell: dead horses are nothing compared with that.

I think that is about enough of war. I am at present in a hospital with bronchitis, so am living in luxury. We even have sheets on the beds. Can you imagine it? However, it is getting pretty old, even at that.

All of the Glendale bunch were getting along fine when I left, so I suppose they are all right yet.

Will write again soon.

Sincerely,

ED.

EXEMPTION BOARD

HELPED IN ITS BIG REGISTRATION TASK BY PATRIOTIC MEN AND WOMEN

This week has been a busy, busy time at the office of the local Exemption Board. Before Thursday registrants and registrars were coming and going. Since that time and since the returns were brought to headquarters, all members of the Board and all the clerical help they could commandeer has been busy copying the cards of registration and comparing them after copying. As there were 3500 of them, it was SOME job. The list of these volunteer workers who assisted the Board Friday included Rollo La Porte and Misses Lois V. Candee and Catherine Speer of Eagle Rock, Ida M. Waite, May Cornwell, Bertha Berry, Harmon A. Strong and J. K. Gilkerson of Glendale, Miss Henrietta Nafter of Los Angeles.

A fine thing about all this work of registering Uncle Sam's army of reserves fifteen million strong, is that but one claim has been presented for compensation and in that case the party did not appear to care particularly about it. When the fact is considered that more than eighty men served as registrars from 7 o'clock in the morning until nine at night, without regard to their business interests, it is a splendid exhibition of patriotic service, though quite in line with contributions which the men and women of the country are making for a cause in which they are enlisted heart and soul to the last name in the city directory. Every man and woman who has served has done it gladly, saying, "We can do this much for our government."

RAINFALL 38-100 OF AN INCH

Last night (Friday evening) when Glendale citizens had lost faith in the prophesies of the weather man because his predicted showers failed to arrive, rain began falling about 5 o'clock and descended at quite a smart precipitation at intervals during the next hour. Throughout the evening there were spatters, and morning brought a wet fog. It cleared away, however, before business fairly started. H. E. Bartlett, of 501 South Brand boulevard, who is the custodian of a very reliable weather gauge, reports a precipitation of 38-100 of an inch.

CHANGE OF PLACE

The rehearsal of the Harvest Chorus called by Mrs. Hagood for Monday night at 7:30 at the Third street school, will be held at the High School auditorium instead. Singers please note the change.

WEATHER FORECAST—Tonight cloudy and cooler. Sunday fair and warmer. Gentle westerly winds.

CAMPAIGN ORGANIZED

LIBERTY LOAN CHAIRMEN APPOINT CAPTAINS FOR NINE PRECINCTS OF DISTRICT

A meeting of the Liberty Loan Committee for the Glendale District was held Thursday evening in the rooms over the Bank of Glendale, over which F. H. Vesper, Chairman of the Committee, presided. Present were Mrs. Charles Toll, President of the Woman's Liberty Loan Committee for this District, Dan Campbell, George T. Payne and A. T. Cowan. Plans for the Fourth Liberty Loan Campaign which is to open Friday, September 27th, were discussed, and captains under the Men's Committee headed by Mr. Vesper, and the Women's Committee headed by Mrs. Toll, were named for the nine city precincts as shown by the precinct map of Glendale, as follows:

No. 1.—C. B. Wilde, Mrs. A. A. Barton.

2.—E. M. Hitchcock, Mrs. G. D. Roach.

3.—W. B. Kirk, Mrs. C. E. Harlan.

4.—Walter S. Smith, Mrs. T. W. Preston.

5.—J. G. Hunchberger, Mrs. J. G. Hunchberger.

6.—Joseph Melczer, Miss Alice Frank.

7.—Norton C. Wells, Mrs. Hartley Shaw.

8.—H. W. Dionysius, Mrs. Kemper Campbell.

9.—W. E. Hewett, Mrs. Alexander Mitchell.

Each one of these captains will select lieutenants who will work in the canvass of their districts and Miss Eva Daniels will again serve as secretary under Mrs. Toll, a position in which she rendered splendid assistance in the last Liberty Loan Campaign.

GLENDALE, CALIFORNIA, SATURDAY, SEPTEMBER 14, 1918

CHANGES IN NAMES OF STREETS

Authorized by Board of Trustees of the City of Glendale by ordinance passed July 5, 1918:

Third Street to Wilson Avenue.
Second Street to California Avenue.
First Street to Lexington Drive.
Fifth Street to Harvard Street.
Elrose Avenue and Seventh Street to Elk Avenue.
Ninth Street and Oak Drive to Windsor Road.
Tenth Street to Garfield Avenue.
Sycamore Avenue to Doran Street.
Valley Boulevard to Adams Street.
Tropico Avenue to Los Feliz Road.
Damasco Court and Blanche Avenue to Maryland Avenue.
Lot A. of Witham Tract to be named Chestnut Street, being a continuation of said street.

SUGAR FOR SCHOOLS

All California schools teaching domestic science will be supplied with sugar for class-room work and for use in school lunch rooms. Sugar for this purpose had not previously been included in California's allotment because of the present shortage which called for rigid saving.

Applications for sugar for schools must be made to Miss Charlotte P. Ebbets, Director of Home Economics for the California Food Administration, with specific information as to the type of work for which the sweet is to be used. After permission has been obtained in each case, special new certificates lettered "Home Economics" in red ink will be issued by the various county food administrators and sugar may be purchased on presentation of these certificates.

The Quartermaster's Department has stated that sugar is one of the chief articles of diet in a new emergency ration which is served to the troops in the front line trenches just before going into battle, and this is one of the vital reasons that it must be saved here in spoonfuls so that it may be shipped to "our boys" in shiploads.

THE SERVICE OF MANKIND

One of the Italian editors visiting this country several weeks ago said: "We are not here in the service of Italy. We are not here in the service of the United States. We are here in that greatest of all services, the service which ennobles all who engage in it—the service of mankind."

It is this service, the service of mankind, that is demanding the conservation and fair distribution of our food stuffs.

A crisis has been successfully passed. Due to the awakening of her collective conscience, America last year saved enough wheat to share her breadstuffs with Europe and tide over her own supply until the present abundant harvest.

These past months of conservation discipline will enable her to keep below the prewar consumption of wheat until her store-houses are again filled and a surplus built up for her own and friendly Europe's future protection.

Because the light-weight cattle are now moving so rapidly to market, due largely to the extreme drouth in the Southwest, the American people are now being urged to demand meat from the lighter weight animals, those that dress below 475 pounds. This will relieve the drain on the heavier beef needed abroad and will help producers.

The present sugar allotment of two pounds per person per month still gives us half a pound more than France's ration and a pound more than Italy's. Fair play demands that we keep within this amount in order to share with them.

This war cannot be won without a systematic distribution of food. Selfishness and individual taste must be forgotten in the broader service of mankind.

AMERICAN RED CROSS DRIVE

At the request of Herbert Hoover, Chairman for the Commission for Relief in Belgium, the American Red Cross will conduct a drive during the week of September 23-30th, to collect an additional 5000 tons of used clothing for the Belgians.

Of this 5000 tons, 350 tons are allotted to the Pacific Division. Allotments are now being made and will be forwarded to all chapters in the Division within the next two or three days.

Hoover's plea to Henry P. Davidson, Chairman of the Red Cross War Council follows:

"The ten million imprisoned people in occupied Belgium and France are facing shame, suffering, disease and some of them death, for lack of clothing this winter. They must be helped. I hope that the Red Cross will undertake a renewed campaign to obtain this clothing in America. It can come only from us. Your first campaign yielded magnificent results, bringing in full 5,000 tons of clothing in good condition. But much more is needed if these war-ravaged people are to get through the winter in decency and safety. In the face of brutal coercion and spiritual suffering they remain splendidly courageous. This courage challenges our charity. Let us match the courage of Belgium by the generosity of America."

BRITISH ATTACKED BY LIQUID FIRE

COMPELLED TO FALL BACK TO SUPPORTING LINE, BUT MAKE GAINS AT OTHER POINTS

(Special Service to Glendale Evening News)

WITH THE BRITISH ARMY IN FRANCE, September 14.—A German liquid fire attack northwest of Gouzeacourt today compelled the British to retire to their supporting line. A heavy German attack southwest of Gouzeacourt failed.

Local engagements took place at many points, the British gaining slightly.

CLOSE APPROACH TO HINDENBURG LINE

GENERAL MARCH SILENCES DOUBTS BY SAYING COMING MILITARY APPROPRIATIONS WILL TOTAL $7,000,000,000

(Special Service to Glendale Evening News)

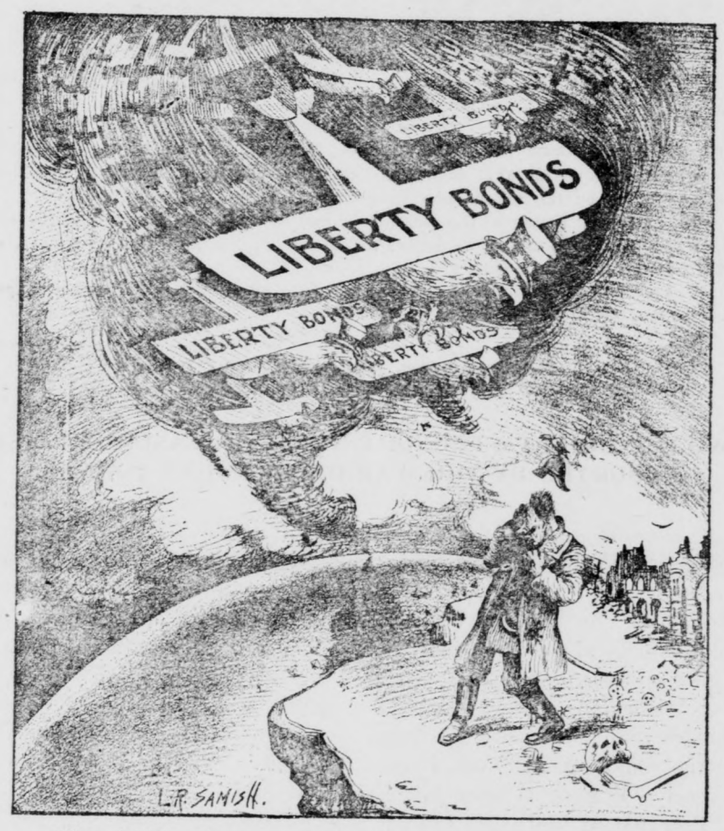
WASHINGTON, September 14.—Chief of Staff General March after denying newspaper intimations that the United States will not finish its war program, today told newspaper men that the next year's appropriation for military purposes will total seven billions of dollars.

Discussing the St. Mihiel victory, he said the Americans are now in a far better position for future operations and that the American victory had shortened the line twenty-two miles.

He said that on the northern end of the West Front the Allies nowhere are further than five miles from the Hindenburg line.

LONDON, September 14.—Advices from the front this afternoon said the Americans had taken a total of fifteen thousand prisoners at St. Mihiel.

Ruin In Its Wake



"Five Million Men in France!"

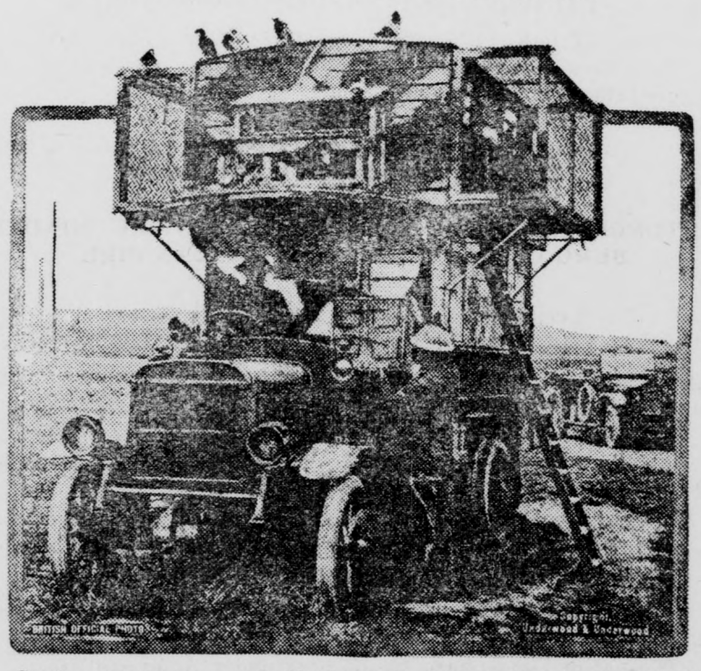
If the Americans at Cantigny, at Chateau Thierry, along the Marne and around Soissons, has proved a whirlwind which von Hindenburg could not withstand this year, what will be the German terror when "Forward to Victory" rings out next year to armies that hide the plains.

The rich blood of sacrifice already strengthens the soil of American resolution from which will spring the flower of triumph.

The sacrifice abroad must be met by sacrifice at home. No effort we at home can make will approach the price paid willingly by those who do not return from the battle for Democracy.

Register the measure of your support by your oversubscription of your quota of the Fourth Liberty Loan.

ARMY PIGEONS GOING TO FRONT



Carrier pigeons are a valuable factor in the operation of all the allies, never failing to carry a message safely and quickly from the front unless actually killed by shell fire.

They are used at the most critical stages of battles, when all wire communication has been stopped and the barrage is too thick for runners.

Here is shown a motor-transport formerly a London bus, loading up with carriers to go to the British front. The casualties among the birds average 2 per cent. They are wounded by enemy shells, attacked by hawks, and suffer from gas.

They live in gas-proof baskets and when gassed are treated at a hospital. There is also a prison cote for captured enemy birds.

A very tiny share of your Fourth Liberty Loan subscription will go to the pigeon service, but none will be more efficiently spent.

Personals

Mrs. H. Loveless, who has been quite ill at her home, 301 South Louise street, is reported as improving in health.

Born, to Mr. and Mrs. J. A. Goldthwaite of 327 West Salem street, at Thornycroft Hospital Friday, September 13, 1918, a daughter, weight nine pounds.

Mrs. Putnam, who has been visiting her son, Claude Putnam, 919 Chestnut street, for the past few months, is leaving for her home in Toledo, Ohio.

Mrs. Dr. S. P. Freeman of Santa Ana has been the guest this week of Mrs. George A. Whitaker. Dr. Freeman is serving with a Canadian Regiment at the front.

Mr. and Mrs. M. Lyons of 911 Maple avene have received a card announcing that their son, Private Jas. G. Lyons of the 157 Field Hospital, 115 Sanitary Train, has arrived safely overseas.

Miss Ardille Sherrill of Harter, Kansas, has been the guest this week of Miss Florence Heacock of 507 West Ninth street. She is returning to Los Angeles today and will spend the winter in Redlands.

The many friends of T. A. Wright of 305 South Louise street will be glad to learn that he is recovering nicely from the mastoid operation which he has undergone recently. Mr. Wright is at the Glendale Sanitarium.

Friday evening Mr. and Mrs. Frederick T. Howland of Hobart boulevard, Los Angeles, entertained with a dinner party complimentary to Miss Catherine Phillips of Harvard street, Glendale, and Miss Marjorie Imler of Palm Villa. It was a very pretty affair in floral decorations and table appointments.

At a recent meeting of the executive board of the Tuesday Afternoon Club of Glendale, new applications were received and accepted for membership as follows: Mesdames Henry J. Lawrence, Lester Silva, Bert Ward, J. E. Moode, A. M. Williams, Charles B. Wilde, W. W. Worley, E. W. Kingsley, and Miss Gertrude Champlain.

Word has been received by Glendale friends that Robert and Chauncy Kolts have arrived safely in France. They are members of the 157th Field Hospital Corps. Robert Kolts was a member of the graduating class of '16 of the Glendale Union High School, and his brother was a junior in the same school at the time of their removal from Glendale.

Don't miss the country store at the Harvest Festival, September 20 and 21, afternoon and evening, for the benefit of the Red Cross. General Manager, Mrs. A. W. Beach; Clerks, Mrs. H. H. Martin, Mrs. Rudy, Mrs. H. L. Howe, Mrs. B. H. Smith, Mrs. C. O. Pulliam, Mrs. R. W. Meeker, Mrs. John Hunchberger. If you have any "white elephants," please bring them for the bargain counter, some one may be able to use them if you are not.

A great bag called "Feedin the Goose" will be conducted by Mrs. J. T. Crampton and will contain many useful and ridiculous articles. You will all want to try your luck. By feeding the goose five cents or more, he will duck his head into the bag and bring forth your prize. This and many other amusements and attractions will greet you at the Big Harvest Festival on September 20 and 21, afternoon and evening, for the benefit of the Red Cross.

Edwin Heacock arrived by auto Tuesday evening at the home of his parents, Mr. and Mrs. A. B. Heacock of 507 West Windsor road (West Ninth). He had come all the way from Caspaar, Wyoming, in seven days, averaging 200 miles a day, which was some traveling when the varying conditions of western roads are taken into account. His wife and baby have been spending the summer here. He is proving up on land in Wyoming and will have to return to complete his residence after a while.

Lawrence Rowe, son of Mr. and Mrs. Rowe of 516 South Orange street, and Walter Peters, son of Mr. and Mrs. Geo. Peters of 1729 West Broadway, have been inducted into service and are now at Camp Kearny. Both of these young men have been in the Santa Fe shops at Richmond, California, and as they were engaged in work considered essential by the Government, could have claimed exemption, but on their return to Richmond after a month's visit with their parents in Glendale, they waived their rights and are now in the regular service, where no doubt their technical training will be of much value.

Mrs. Laura Jones, teacher of piano, 118 W. Third street, wishes to announce to pupils and patrons that the fall term opens next week. Those having particular choice of hours better make application at once. Phone Gl. 525-J. 8t4

NONPAREIL

Philadelphia, Pa., 8th Month, 5th, 1918.

"To the Agents of the Provident Life & Trust Co.

GREETING:

The Federal Reserve Board announces today that this Co. has been formally admitted to the Federal Reserve system.

* * * This marks a new era in the history of the Co. It now becomes a National institution. * * *

No ordinary Life-insurance Co. can become a member of the Federal Reserve system.

The Policyholders of this Co. have pledged for all claims.

1st. The ordinary security afforded by the reserve and surplus of a Mutual Life-insurance Co.;

2nd. The $2,000,000 capital stock and $6,000,000 surplus of the Trust Dept. of the Co.;

3rd. All the privileges of the Federal Reserve System by which, when times of stress come, we are provided with a means of immediately securing funds for payment of claims, should need arise."

Can you blame me for being proud to represent a Co. which is absolutely incomparable?

RED CROSS EVENTS

Sept. 20 and 21—Community Harvest Festival.

Persons planning Red Cross entertainments are requested to have dates reserved by telephoning Mrs. Mabel Franklin Ocker, chairman of Bureau of Entertainments. Glendale 918-J.

RED CROSS BUSINESS MEETING

The executive board of the Glendale Chapter American Red Cross held a business meeting at the Red Cross headquarters Friday evening. Chairman Braly presided. Members of the board present were Acting Vice-Chairman O. Spencer, Mrs. H. S. Duffield, Secretary, Mrs. J. Glenwood Jones, Mrs. A. S. Chase, Mrs. H. E. Bartlett, Mrs. John Robert White, Mrs. Helen I. Campbell, Mrs. Arthur C. Brown, Mrs. R. A. Blackburn, Messrs. Richardson D. White, A. T. Cowan and F. H. Vesper. Following the regular order of business, the matter of revision of the by-laws was taken up. After discussion, on motion the by-laws recommended by the Pacific Division of the National organization were adopted with a few minor changes to suit local conditions, which were recommended by the revision committee, Prof. White and Mrs. Jones.

Mrs. Arthur C. Brown, chairman of the Home Service Department, gave an interesting report of her work which is increasing to such an extent that on recommendation of Mrs. Brown, Chairman Braly appointed Mrs. C. B. Wilde as a fifth member on that committee. Vice-Chairman Spencer having been excused from the meeting, Professor White, chairman of the Junior Red Cross, presented the matter of purchasing a truck for the Salvage Department. On motion, Chairman Braly appointed a committee consisting of Prof. White, A. T. Cowan and L. T. Rowley, who were authorized to purchase an automobile truck to be owned and paid for jointly by the Chapter and the Junior Red Cross.

As the new by-laws provide that all members in arrears shall be dropped from the roll of members, Mrs. Blackburn, chairman of membership, reported that a revised list of members is being prepared and will be ready for the annual meeting in October. On motion, meeting adjourned.

THE MILITARY WEDDING

Particulars concerning the military wedding which is to be such a feature of the big Red Cross Benefit, the Harvest Festival which is being put on at Union High School September 20th and 21st, are beginning to leak out. For instance, Cecilia Lyons, whose beauty has been the pride of Glendale, will be the bride. The name of the bridegroom is still a profound secret, but some little Cupid tattle-tale has disclosed the fact that there will be a long list of pretty bridesmaids which will include Alma and Muriel Turner, Esther Schremp, Grace Beach, Catherine Phillips, Grace Shropshire, Waunita Emery and Dorothy Hunt. Gladys Lampert will be the maid of honor.

Miss Columbia will give the bride away and soldiers and sailors in uniform will serve as ushers. The ceremony will take place at 8 o'clock Saturday evening, September 21st, in the auditorium of the High School, just preceding the Harvest Festival Pageant.

There will of course be a wedding march and other appropriate music, Miss Margaret Lusby having been engaged to sing "Because" to a new setting of patriotic words.

HILL McGILLIS

WRITES HOW EAGERLY THE BOYS WATCH FOR THE GLENDALE EVENING NEWS

Hill McGillis writes letters to his parents telling them how eagerly this paper is awaited. Here are extracts from his letters:

"Unless I receive letters regularly, time passes dreadfully slow—a week seems like a month. However, I have received letters from Miss Bernie Morehouse, Cecelia Lyons, Cousin Leila and my old boss at Feagan's Jewelry store, Mr. Dickson. Believe me, it sure does seem good to be hearing from some of the old friends. I thought for a while they had forgotten me. I enjoy the few copies of the Glendale News I have received. You mentioned in one of your letters of having sent them several times; but so far I have received but one bundle, some time ago. I am still on the lookout for them for I do so enjoy the good old home news.

"Yesterday was Sunday and as I did not feel overly well I hung around the tent. I caught quite a cold several days ago and have been about all in from it, but am feeling much better now. Of course it is nothing serious, merely a hacking cough and a movable nose, keeps on the run. I expect to get well in the course of time. We moved a few nights ago and are now sleeping in tents; there are seven of us fellows in one tent. Did I ever speak of Leo Lilly? Well, I met him on the train en route to Camp Lewis and we have been good friends. We came over to ..... together, but when I left him behind on coming to this place I never expected to see him again. Well, a couple of days ago he walked in on us. We (Joe Wilson and I) were sure surprised and delighted. He has been assigned to this place permanently and once more the three of us are together.

"Right next to us is a large prison camp and right now there are several thousand Germans penned up there. This is a rendezvous for the prisoners taken by the American forces—in other words, it is a distributing station. We see new ones come in almost every day, and the older ones leave for the places to which they have been permanently assigned. You would be surprised to see the great number of mere boys that are among the prisoners. Many of them still have their first time to shave. We are probably through with night work for a time, as the officers in charge told us so, but it's awful easy for them to change their minds. Prices are high here. Oranges sell at from 8c to 20c each, and very small applies, 10c apiece; chocolate 10c a bar, but the prices are cheap for barber work, hair cut or shave, 10c.

"Have not yet seen Howard. Do not know when I can.

"Well, I guess I've about said my bit so I had betetr draw this to a toute de suite close for ce soir. Lots of love. Write soon, regularly and often.

Lovingly,

HILL."

H. H. McGillis, R. F. D., C. M. P. O. 717, American E. F., France.

ENGRAVED GERMAN SHELL

There will be on exhibition at the Sunday School and church service at the First Congregational church on Sunday, an exploded German shell which Dr. Willisford, pastor of the church, who is now with the Y. M. C. A. in France, sent home. The shell, a 75, is of heavy brass and is about a foot high. The open end is smoothed up to make a vase and the vase itself is most elaborately engraved with three designs, an American flag, the triangle, symbol of the Y. M. C. A., and a large American eagle.

Dr. Willisford did not say that this shell exploded in his immediate vicinity, but evidently it was one that came inside our lines.

NEW THOUGHT PICNIC

Thursday, Stepember 19th, at 2 p. m. a New Thought picnic will be held at La Ramada Park, north end Glendale car line. A number of prominent New Thought speakers will be present and will give short talks on different subjects. Among them will be Edward S. Jerome, who will speak on Our President, Woodrow Wilson, and Adaline Becker, on "Woman After the War." A collection will be taken for the benefit of the Red Cross. Luncheon at 6 p. m. Everybody come; bring your basket lunch and enjoy the afternoon and evening.

CITY TRUSTEES.

(Continued from Page One)

by the proper officials of the city when printed, and delivered to Messrs. Wm. R. Staats and Company upon the payment by them of the amount as set forth in their bid, by the following roll call, Henry, Jackson, Muhleman, Shaw, Woodberry, all voting aye.

The City Attorney reported that in regard to transformers for the Public Service Department, he had prepared a contract which had been submitted to the attorney of the General Electric Co., who had stated that it would probably be accepted as satisfactory.

The City Attorney made a report in regard to the change of rates authorized by the Railroad Commission to be charged by the Pacific Electric Co. between Los Angeles and Glendale. It was the order of the Railroad Commission that the rate be fixed on the mileage basis for all fares, at the rate of 3c per mile for single trips and 2½c per mile for round trips, while for commutation tickets the price would be 2c per mile for ten-ride books and 1½c per mile for 30-ride books. He further reported that the Traffic Manager of the Pacific Electric Railway Co. informed him that the company is making Park avenue the northern limit of the first district, Broadway and Brand of the Second District and Doran street and the east end of the line, the Third District. The City Attorney had taken up with the Traffic Manager the matter of extending the above limits so as to open the entire business portion of the city to one fare.

On motion of Trustee Jackson, it was directed that the City Attorney be instructed to request the Pacific Electric Railway Co. in its proposed new rates to extend the northern limits of the first zone to Maple street and of the Second from Broadway to Doran street and the end of the line on the east.

On motion of Trustee Shaw it was ordered the sum of $2,000.00 be transferred from the Insurance Reserve fund to the Public Service fund, the same to be returned as soon as conditions of the latter will permit.

Demands were reported back with the approval of the finance committee, and warrants ordered to be issued.

Trustee Shaw offered the following resolution, which was adopted by the following roll call, Henry, Jackson, Muhleman, Shaw, Woodberry, all voting aye.

Whereas, this Board recognizes that the community singing lately started in the City of Glendale is a commendable project and the Board desires to encourage it as far as possible, but its means of doing so are limited by reason of the reduced tax rate and the small sum allotted in its budget for such purposes,

Now, Therefore, be it resolved that the sum of $60.00 is hereby appropriated from the sum allowed in said budget for music and promotion, the same to be used for the support of said community singing and that this Board regrets its inability to make further provision therefor at this time.

The Chairman of the Board called the attention of the Trustees to the fact that at the next regular meeting of the Board on September 19, 1918, the postponed hearing of the protests in the matter of the assessment for the opening and widening of Sycamore Canyon road will come up before the Board.

In reference to this matter, Trustee Shaw made a motion, which was adopted, that the City Attorney be requested to inform the Board as to how long the matter of the opening and widening of Sycamore Canyon road can be deferred under the present proceedings.

On motion of Trustee Shaw, it was ordered that the President of the Board and the City Attorney join with the California Edison Co. in an application to the Railroad Commission for permisison to make a sale of the property of the company in the district of Tropico.

Adjourned.

GOOD WORK BY BOWLERS

Joseph Fortunato furnished the following report of the bowling contest which took place September 12th at Long Beach between the team of the Elks' Lodge of that city and the Glendale Elks' team. They (our representatives) came so close to victory that all the sting was removed from defeat. A study of the following score will show what a close game it was. Four machine loads went from here to Long Beach, where they were royally entertained, refreshments being served at the close of the game.

READING CIRCLE MEETING

The Mutual Benefit Reading Circle which has been meeting for several years at the home of Mrs. Charles Toll on Kenneth road, this city, but which discontinues its sessions during the summer months, will again meet with her Wednesday, September 18th, from 11 a. m. to 2 p. m. The circle will begin the year's course with a new book by Professor William Foerster, of the Zurich University, entitled "Marriage and the Sex Problem." He is a native of Switzerland, in spite of his German-sounding name.

Mrs. Toll reports that the Reading Circle has been chosen from the Glendale Federation of Parent-Teacher Associations to make an exhibit of its work at the approaching Liberty Fair in Los Angeles, to be held October 12th to 26th, at Exposition Park, and at this first meeting plans for this exhibit will be made.

Think what the spectacle of cheerful giving means to the enemy.

fanatic. I am not speaking as a prohibitionist. I am not speaking on behalf of the W. C. T. U., or the Bone-Dry Federation, or on behalf of the Anti-Saloon League. I am speaking as a citizen who does not belong to any of them. In this momentous hour, in this critical moment in the history of the United States when we have put millions into liberty bonds and millions of men upon the battle front, and have just registered other mililons to take their places if need be, I say to you, we haven't a single square yard of land to devote to the production of foodstuffs to be used for the liquor traffic (Applause), to be planted and grow up and be ground and malted and turned into damnation for mankind.

"This liquor traffic had notice to get off this planet before I was born. When Uncle Sam wants the boy out of our home he doesn't give him two years to think about it. The amount consumed in the production of drink that is capable of being made into food is enough to supply food for 800,000 soldiers for a year. I think this nation has suffered enough at the hands of the liquor traffic. When you leave here tonight would you like to go home on a car the wheels of which keep slipping, slipping? This liquor traffic is greasing the track of this war we are running.

"The Fuel Administration says: 'Save coal,' and we have introduced the skip-stop on our street railways at considerable inconvenience to ourselves because by so doing we can save a half pound of coal to each stop, yet it takes a pound of coal to make a pint of beer. Why not skip-stop on the beer? Which stop will we skip? Five pints of beer mean five pounds of coal to make it. Besides that, the man who drinks it can make but four pints with the 5 pounds of coal because his efficiency is impaired, both in the making of beer and the production of coal. Which pint will you skip? I move that we skip it all. We haven't a pound of coal in the bowels of God's good earth for this use. It has taken millions of pounds of coal to run the breweries. God's cellars ought to be locked to that kind of business.

"Out of the city of Milwaukee run daily four trainloads filled with beer. I say to you as a lover of my country and a member of the Allies, we haven't the freight cars to be used in the transport of beer. We can not afford it. We need those cars for better uses. Besides the pound of coal it takes to make a pint of beer, it takes a wheel to haul that beer along its way.

"I have been told by a member of the W. C. T. U. that the liquor traffic is using 35,000 tons of sugar at the present time. If I were to stand and talk to you all night it would be upon this one refrain: we haven't a yard of ground, a pound of energy or a wheel to turn for this liquor traffic.

"There are 54,000 brewery workers in America, and 300,000 farmers raising grain. I do not think we have a single man to spare for the liquor traffic.

"When this war is over in all the countries of the allies there will be broken men by the thousands and tens of thousands, and God spare us from having as many hundreds of thousands as Canada has, and Australia and England. I say to you, when this war is over it will be your task to build a better world for the generations to come; for when you and I are in our graves our children and our children's children will be paying the debt this war is laying upon us and we will not have any time in the next hundred years for the institution called the liquor traffic.. War-time prohibition and permission for the liquor traffic to resume when we have demobilized our boys is almost an insult. Will not the world have its burden heavy enough when this war is over without having that institution? I think so. The price of living will be higher when the war closes than it is tonight, for war is always succeeded by hard conditions. Is there not suffering enough in this world at its best without having an institution standing around for the maufacture of human suffering? It seems so to me. I know what grief and sorrow are. I know what it is to confront pain and I know what it is when it comes through the liquor traffic, and I do not want an institution originated and equipped to create suffering. We have troubles enough in war without a liquor traffic to add to them.

"I can not close this meeting tonight without making some reference to my great sorrow. I hesitate to do so because every heart knows its own bitterness, but I feel I owe it to you because so many people have sent me such beautiful expressions of sympathy, and because of the fact that here are multitudes more. My boy isn't one whit more sacred than any mother's boy in the American army, and I loved him devotedly; but I remember the day he fell dead, nearly five hundred good American soldiers bit the dust. How shall I grieve for him without grieving for them and sharing my grief? I can not accept this consolation unless my heart goes out in consolation to every grieving home.

"My boy believed in immortality. I believe in immortality, and I live my life in the consciousness that when I die there isn't any grave that can bury ME. I have suffered a great loss, but I am not inconsolable."

He closed with an appeal for funds to carry on the campaign for California Dry and National Prohibition, and envelopes were passed by the ushers for contributions or subscriptions, to which there seemed to be a good response. Two verses of "America" were sung and the audience was dismissed.

COMMENCEMENT AT THROOP

Commencement exercises at Throop College of Technology in Pasadena will be held Sunday afternoon at 3 o'clock on the campus and will be certain to be exceedingly interesting. Last year between four and five thousand persons attended and this year doubtless as many will assemble for the event. Captain Eugene Imler, son of Mrs. Adelaide Imler of this city, will be one of the graduates, and a number of his friends are being entertained at the Imler home, Palm Villa, who have come for the special purpose of witnessing his acceptance of the sheepskin. Among these guests are Mr. and Mrs. Englehart, of Imperial Valley, Miss Nelly Sharp and Miss Emma Hagerty of Los Angeles. Probably many Glendale people will motor to Pasadena Sunday afternoon.

RED CROSS CALLS

Vice-Chairman Spencer of the Red Cross reports that Mr. Hoover has issued a call for 5000 tons of used clothing in good condition to be sent to 10,000,000 people who have been left destitute by war's ravages. This includes not only Belgians but inhabitants of French villages and others in the war zone.

Chairman M. M. Davidson of the Red Cross says he will announce our quota in a few days. Between the dates September 23 and September 30 there is to be united effort to collect all clothing which is either in good condition or can be repaired and get it ready for shipment to these suffering people.

The citizens of Glendale are urged to prepare for this drive by looking over their supplies and sending every article which can be spared.

P.-T. A. FEDERATION

The Glendale Federation P.-T. A. will hold their first regular meeting of the season Monday, September 16, 1918, at 2:15 p. m., in the library of the Intermediate School. Chairman Mrs. A. A. Barton will preside. The Federation, known for its fine work in the past, desires that the coming year may be a banner year and if enthusiasm and good will can make it so, the assurance is already at hand.

The dearest things to the mother's heart are her children. The nearest thing to our country's good is her citizenry. Then work for both at the same time, by your efforts to build for the boy and girl, and it can be done in no better way than in the school and through the school, and with the friendship of parent, teacher and child.

Advertise it, or advertise for it in the Evening News.
